Both types of support shall only be made available by the bidder and purchased by the using agency in direct support of, and in conjunction with, a purchase order for the purchase of hardware and software.

It is the bidder's responsibility to assure that all items meet the following criteria. Items delivered to an agency not in accordance with these criteria will be subject to return at the Contractor's expense and possibly other legal action.

Any surveillance device of significant cost must be legally labeled as the brand name specified in the contract. One (1) additional copy of the bid is desired.

8. BID VALIDITY

All bids shall be considered valid for acceptance until final contract award, unless the bidder provides for a different time period within its bid response. You may indicate your acceptance below.

The **LaCarte** Procurement Card uses a Visa card platform. Contractors receive payment from state agencies using the card in the same manner as other Visa card purchases. Contractors cannot process payment transactions through the credit card clearinghouse until the purchased products have been shipped or received or the services performed.

For all statewide and agency term contracts:

- Under the LaCarte program, purchase orders are not necessary. Orders must be placed against the net discounted products of the contract. All contract terms and conditions apply to purchases made with LaCarte.
- If a purchase order is not used, the Contractor must keep on file a record of all LaCarte purchases issued against this contract during the contract period. The file must contain the particular item number, quantity, line total and order total. Records of these purchases must be provided to the Office of State Procurement on request.

EFT payments are sent from the State's bank directly to the payee's bank each weekday. The only requirement is that you have an active checking or savings account at a financial institution that can accept Automated Clearing House (ACH) credit files and remittance information electronically. Additional information and an enrollment form is available by contacting the Office of Statewide Reporting & Accounting Policy at DOA-OSRAP-EFT@la.gov.

To facilitate this payment process, you will need to complete and return the EFT enrollment form.
